COMPANY / 03

PACKAGING WITH PURPOSE.

A Cote d'Ivoire industrial company focused on plastic sheet extrusion and disposable thermoformed food packaging.

OUR COMPANY

Packaway Industries designs packaging that goes beyond containment: solutions intended to protect food, support reliable use and respond to an evolving professional food sector.

From Abidjan, the company aims to serve businesses in Cote d'Ivoire, West Africa and international markets with reliable, high-performance products.

FROM ABIDJAN

TO THE WORLD

VISION

Provide high-quality, high-performance disposable food packaging while supporting customer satisfaction and alignment with international standards.

MISSION

Apply current technologies and innovative manufacturing methods to modern food-packaging needs while exploring more responsible processes.

EXPERTISE

Plastic sheet extrusion and thermoforming across a professional PP and PET range for hot, cold and general food-service applications.
